The image shows a Prezi presentation slide. At the center is a 3D rendering of the Earth. A thin orange line connects two orange circular nodes on the globe's surface. The node on the left is connected to a cluster of three small map thumbnails. Below this cluster is a slide titled "Urbino" which includes a photograph of a town and a list of bullet points. The node on the right is connected to a slide titled "Frontone" which includes a photograph of a building. The Prezi logo is visible in the top left and bottom left corners of the presentation area. The bottom of the image shows a Windows taskbar with a search bar containing "Cerca", several application icons, and a system tray showing the time as 08:11 on 20/01/2025 and the weather as 7°C Nuvoloso.
