

As school, we started our Project journey participating in KICK-OFF MEETING on 16-18 January 2023 in Urbino, Italy. With our partner schools we discussed the whole process of the Project and shared the tasks.

**Summary**  
The project aims at achieving great outcomes in our school. These great outcomes will be achieved through the project. The main objective of the project is to improve the quality of the education and the learning process. The project will be implemented in the school. The project will be implemented in the school. The project will be implemented in the school.

At school we did a cleaning activity in the backyard of the school garden and a tree watering activity with our place as ERASMUS+ GARDEN and dug it to make it ready to plant some vegetables soon.
